AT THE FEBRUARY MEETING

Another monthly meeting with an ever-changing and enlarging group of the attendees shows a membership that is seriously interested in the success of our association. With temperature set at the wide-awake level,..... we discussed the appointment of a Director sometime in the next month.....and we noted the soon-upon-us date for our Fund Raiser in April. Next month's GALLERY NOTES will have more details for these important projects.

We received a favorable word from the treasurer on our non-profit standing (along with a request for more recorded information on the community-benefitting activities of our members to add to our resume.) Bob Braunfield reported that the ground work for the 3rd WILDLIFE IN ART invitational show in June is underway. Other reports included a listing of the standing committees needed for the gallery to function. Doug Smith and Al Perry have volunteered to take on the Printing committee responsibilities.....and the chairmen for each of the five major exhibition have been enlisted.

-----STANDING COMMITTEES-----

We have about 12 Standing Committees. Almost all of them are in need of volunteers. Artist Members are signed on where they are most proficient. Associate Members have been working enthusiastically in all areas for many years and we always welcome new helpers. To mention a few committees most in need of help: MEMBERSHIP, NEWSLETTER, POSTING (mailing list), PROGRAM (coordinating & scheduling & bright ideas), PUBLIC RELATIONS and PUBLICITY, and, of course, HOSPITALITY. Call Ann Moran, 434-9689.

ARTISTS AT WORK

Starting on the 5th of February, HELEN SCHINK is showing landscapes in oil and watercolor at the Camp Gallery at 134 Sillimanville Road in Moodus. Call 873-9244 for more information.....at Lyne Art Academy, the ROGER TORY PETERSON exhibition is closing on the 14th of February.....we hope everyone has had the opportunity to see it.

ART BOOKS:

Clear out the art books you no longer want.....we will use them to enlarge and enhance the LAA bookshelf. (Bring to monthly meetings.)

COMPUTER:

We really need a computer for record keeping and maintaining our mailing list. Anyone? (Call Norm Legassic at 434-8436.)

AREA ARTISTS' NAMES:

We try to reach all the artists within our southeastern Conn. area.....to supply them with information about our juried exhibitions. Do you have names to add??(Send info to LAA, P.O.Box 222, Old Lyme.)
